**RE: CG Docket No. 04-208  
NASUCA Petition for Declaratory Ruling Regarding Truth-In-Billing and Billing  
Format**

Dear Ms. Dortch:

On Wednesday, January 12, 2005, representatives of AARP met with the Consumer and Governmental Affairs Bureau Chief Dane Snowden and other members of the Bureau's staff to discuss the above Truth-In-Billing proceeding.

AARP staff, Jo Reed, Debra Berlyn and Chris Baker, restated the organization's support for the petition and urged the FCC to enter an order to prevent telecommunications carriers from imposing confusing, non-government mandated fees on consumer's wireline and wireless bills.

Sincerely,

Jo Reed  
National Coordinator, Consumer Issues  
Federal Affairs
